**Homespun® (Article #790). 98% Acrylic, 2% Polyester; package size: 6.00oz/170.00 gr. (185yds/169m) pull skeins*

GAUGE:

9 1/2 sts + 8 rows = about 4 in. (10 cm) in alternating rows of sc and dc.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

NOTES:

1. Afghan is made in one piece, changing yarn color by following written instructions or a chart.
2. All odd-numbered rows are worked in single crochet and all even-numbered rows are worked in double crochet.
3. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete the st. Proceed with new color. Do not fasten off old colors until instructed. Leave colors not in use on WS of piece until next needed.
4. A border is worked around the outside edge of the Afghan.
